

## Comics in the Classroom with

[www.bistripsforschools.com](http://www.bistripsforschools.com)

Introducing Bitstrips for Schools, an educational and safe web service that empowers students to make and share great comics without drawing a line, and lets teachers unlock the educational power of comics.

### What teachers are saying about Bitstrips for Schools:

*"Bistrips gives my students instant creating. I would put it up there as one of the best education apps of all time."*

Royan Lee, Grade 6 Teacher, Charles Howitt Public School

*"The media literacy applications seem endless."*

Ryan Adams, Grade 4 Teacher, Cassandra Public School

*"My class's favourite part is creating characters that look like students and staff. Awesome!"*

Randy Kirsh, Grade 4/5 teacher, Silver Pines Public School

*"The focus of the students when they are working on their strips is amazing!"*

Jodi Caverzan Wells, Grade 8 teacher, St. Bernadette Elementary School
